

Event Name	<b>Swiss Summer School 2021, «Catalysis in Organic Synthesis»</b>
Date	Sun, 5. September 2021 – Thu, 9 September 2021
Location	Eurotel Victoria and Congress Center, Les Diablerets
Focus/Topic	The Summer Schools is open for participants from academia (MSc, PhD, postdoctoral students) and industry. The goal is to showcase advanced topics in organic and inorganic synthesis, presented by leaders in the field tailored for the young generation of chemists. The Summer School 2021 focus' on catalysis and sustainable chemistry and covers also topics such as novel synthetic routes and digitalization.
Audience	80 Participants (70% students, 20% academics, 10% industrials)
Website	<a href="https://summerschool21.scg.ch">https://summerschool21.scg.ch</a> (available as of March 2021)
Total budget	CHF 80'000
Chairs	Prof. Jérôme Waser, EPFL Lausanne Prof. Bill Morandi, ETH Zürich
Sponsoring / Collaboration	<input type="checkbox"/> Summer School Endowment: 5'000 - Logo on the website and the symposium flyer - Invitation of two representatives for one night to present the company and to interact with participants. <input type="checkbox"/> Patronage for the Symposium Dinner: 2'500 - Logo on the website and the symposium flyer. - Invitation of two representatives to the dinner. <input type="checkbox"/> Patronage for all Coffee Breaks: CHF 1'500 - Logo on the website and the symposium flyer. - Logo on the coffee desk. <input type="checkbox"/> Event Supporter: 1'000 - Logo on the website and the symposium flyer
Exhibition	No exhibition
COVID-19 Info	One major goal of the event is to provide a platform for the community to meet and exchange and to discuss ideas and potential collaboration opportunities. If the government restrictions due to COVID-19 will not allow us to meet on-site, we will unfortunately have to cancel the event.
Booking	Please tick the box above and send the form to <a href="mailto:info@scg.ch">info@scg.ch</a> David Spichiger, Executive Director, +41 31 306 92 91, Invoice address:
